YOUTH COLLECTIVE PROGRAMS

ANTI BULLYING PROGRAM

Bullying is an issue that many young people in our community are facing at present. It is an ongoing or repeated misuse of power in relationships, with the intention to cause deliberate psychological harm. Bullying behaviours can be verbal, physical or social and can happen anywhere – at home, online, with friends, in a group, on the bus or at school.

The Youth Collective Anti-bullying program looks at different types of bullying, the effects it has on individuals and what can be done to combat it. It has a main focus on bystander actions, informing young people of their responsibilities if they are witness to bullying behaviours and providing them with the skills to call it out.
